JULY 1985

CENTRAL VIRGINIA MUSTANG CLUB

ISSUE 2

From the President . . . July 1985

The "First Annual Spring Rally" was the Club's initial planned event and went off without a hitch. The Rally was planned for a maximum of 50 cars, netted 10 cars, 8 of which were Club Members. By show of hands at the previous meeting, most of the Club members indicated they would participate, even though it was on Mother's Day. Planning took forty road hours and ten administrative hours to hold an event that only 16% of our membership got to enjoy.

Our second event was a picnic with somewhat stronger support. Again we planned for 50 cars (which would have been half of our current contacts). Fifteen cars (20% of actual membership) showed. With many family and friends attending,

we had a wonderful time inspecting each others cars trading car stories and getting to know each other.

Don't get me wrong, I am grateful to all those who participated, we had a lot of fun, but the problem is, if we are only going to pull 10 to 15 cars from an actual membership of 70, then how are we going to put on a car show September 7th? Where will we get all the judges, entrance officials, refreshment attendants, etc.? Should I expect the entire membership to just "show up" on that Saturday in September asking "what needs to be done"?

If the Club in general is to be a success, than every member has to get involved. Serve on a committee, volunteer to speak at meetings, join in scheduled events, contribute to the newsletter and above all, come to the meeting so we can "get to know each other".

It's so easy to "forget". It takes effort to properly schedule, we all have things to do. Remember, when a member sets up an activity, hours of planning and many times, out of pocket expenses are incurred to plan something enjoyable and fun for you. All you must do is show up. This may interfere with some other activity. But, we only have one, brand new, struggling Mustang Club and without member support we will soon have no Club at all.

It's certainly not too late. I would like to see each and every one of you at the next meeting.

JULY 10 MEETING CANCELLED UNEXPECTEDLY

President Terry Wagner and Gazette Editor, Tina Fritz were summoned out of state unexpectedly and did not return until too late to send out meeting notices, confirm the speaker or organize the meeting on July 10.

It was decided to call-off the July meeting entirely. Several members gathered to greet the few members that did show and the group ended up just socializing at a local restaurant.

MAY 12 RALLY RESULTS

Film Scheduled for next meeting ! ! !

Wednesday, August 7th at 7:30
the program will feature a film from
Whitepost Restorations (Clark Co., Va.)

Thank you Kent Callaham for
obtaining this film.

The weather for the First Annual Spring Rally, Sunday May 12 was interestingly bright and sunny until 11:00. Clouds started rolling in with a few drops of rain on and off throughout the afternoon. The turnout was a bit light with 10 cars off the starting line. The course was 102 miles in length. The running time was 3 hours with 110 gimmick questions and 60 directional instructions. We started out at Southside Plaza, traveled the scenic Virginia countryside and ended at Azalea Mall's Godfather's Pizza. Ask any participant, everyone had a good time. The results were compiled by computer and the results are as follows:

"THE WINNERS" were Pat and Judy Clayton
Second Place to Bill and William Jarvis
Third Place to Mike Gentzel & Linda Cunningham

(The Rally Master appoligizes for the River Bend Church sign that never materialized ! ! !)

Rally School Planned ...

The First Annual Spring Rally was such great fun. Club members have expressed an interest in another rally.

Those interested in becoming a Rally Master should sign-up at the next meeting at the Registration Desk.

A GOOD, GOOD, GOOD, GOOD TIME WAS HAD BY EVERYONE

Hey, We had a great time at the picnic on Sunday June 30th. The Overhill Lake location was old but usable with a really great looking swimming pool. The weather was a little overcast and we had a few sprinkles, but not enough to dampen the good time. Chef Kenny (Fisher) turned out hamburgers for his family as did Chef Kent (Calaham). The judges are still out on who is the horseshoe pitching champion of the whole world. At last count, fifteen Mustangs (and one Oldsmobile) turned out in a variety of colors and model years. The last participants were seen going over-the-hill some time after 8:30. Everyone enjoyed this first social Club event. A second picnic is in the works.

MY FIRST CAR...

I was only 13 years old when the first Mustang came out. However when I become 15 years old and entering into high school my first ride to school was my best friend's Mother's Mustang. Even at that time the Mustang was ahead of its time in both performance and style. It seemed that all my buddies' parents had Mustangs, which we would borrow in the evenings and cruise around town. One of my buddies was a master at souping up the Mustang engine to out run many of the muscle cars of that day and then transform the engine back to normal before we returned it to their parents.

My dream of owning a Mustang didn't come true until my second year in college. After working three jobs one summer, I was able to have the downpayment and six months worth of payments to purchase a 1968, 289 Blue Mustang. We I first brought it home, I had to park it for three weeks until I worked long enough to pay for the car insurance. Then when I started back to school, I would only drive it once a month because I didn't have the money to joy ride.

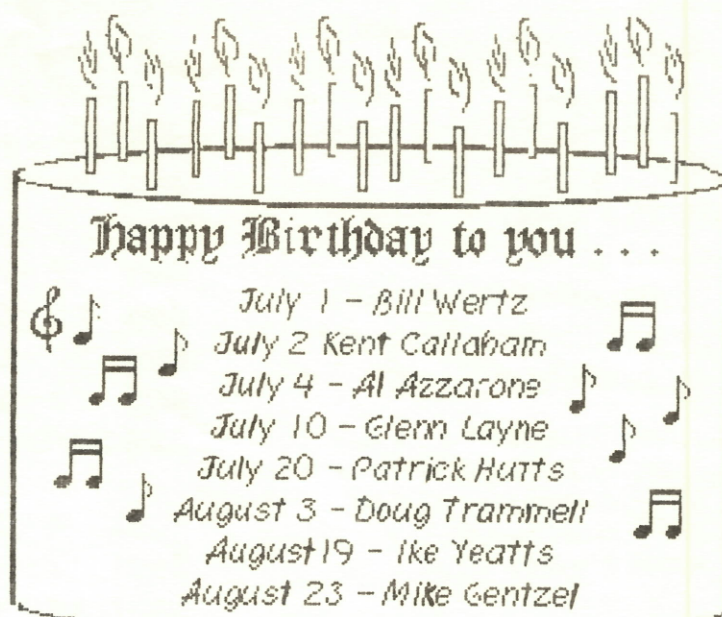

When I bought the car it was in excellent condition. Only four years old and 35,000 miles. It took me two years to convert a very tame Mustang into an awesome 289 tire burning machine.

In the early days of 1974 my Mustang was one of the best all around 1968 Mustang's in Fredericksburg, Virginia. I washed it daily and waxed it twice a week. The oil was changed with a tune up every two months. The weekends were set aside for cruising through the park and racing down Route 1 until you see red lights flashing.

As I became older and graduated from college, the Mustang not only became a show piece, but also a means of transportation to and from work. It proved to be very reliable with a low maintenance cost and always got me to work on time even when I started out late.

When I went to graduate school in Washington, I was forewarned that the car would be stolen. So I stripped the car of everything shiny (wheels, nut; etc). However seeing other cars with their full accessories on, I went home to put my stuff back together. My car was stolen and stripped within one week of my return. It was recovered the next day. I put the car back together and to date has been stolen two more times, and recovered.

Today my Mustang is still being pampered and driven only two or three times a month. The car still has most of its original parts and engine. It was repainted in 1980 with new sheet metal in the rear panels. I have driven for many fund raisers and homecoming parades and go cruising Saturday night occasionally. My tail pipe is still white on the inside and my engine can still smoke the back tires. My Mustang has out lasted three new cars and still going strong. Thomas J. Victory

One of our Club Members requested the following article to be reprinted from the July 1985 issue of Mustang Times Volume 9, Number 7, Page 10.

ARE YOU THE ONE?

Are you an "ACTIVE MEMBER", the kind that would be missed? Or are you just content that your name is on the list?

Do you attend the meetings and mingle with the flock? Or do you stay at home and criticize and knock?

Do you take an active part to help the work along? Or are you satisfied to be the person who "JUST BELONGS"?

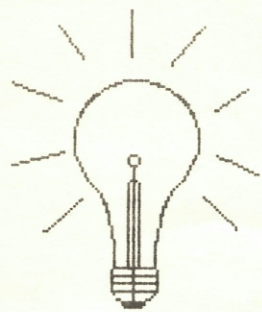

Do you work on committees? To do this is no trick. Or leave the work to just a few and talk about the "clique"?

There's quite a program scheduled that I'm sure you've heard about, and well all appreciate it, if you'll come and help out.

So come to the meetings often and help with hand and heart. Don't be JUST A MEMBER, but take an ACTIVE part.

Think it over, member, you know right from wrong. Are you an "ACTIVE MEMBER"? Or do you just belong?

Jim Mossman

WHAT A GOOD IDEA !

1. TO REDUCE BATTERY TERMINAL CORROSION, THE USE OF WD-40 OR SIMILAR PRODUCT HAS BEEN FOUND VERY HELPFUL. HAS ELIMINATED THE PROBLEM ON A LAWN TRACTOR. CLEAN TERMINALS BEFORE USING WD-40.
 2. MECHANIC'S HAND CLEANER MAKES AN EXCELLENT PLASTIC/VINYL CLEANER. USE A CLEAN CLOTH TO APPLY THE CLEANER AND WIPE WITH A FRESH NEW CLOTH.

CENTRAL VIRGINIA MUSTANG CLUB
MINUTES OF 5/11/85: The regular monthly meeting of the Central Virginia Mustang Club was called to order by President Terry Wagner at the Cloverleaf Mall Community Room at approximately 7:30. The minutes were read by Acting Secretary Patrick Clayton and approved as read. Bob Leipertz, Treasurer, reported

MAY 11, 1985

AND

JUNE 5, 1985

that the Club has a bank balance of \$552. Terry Wagner gave a report about the upcoming Rally at Southside Plaza, Sunday, May 12th and that a June picnic is being planned. Kent Callahan presented the types of trophies we will use for shows and Rallies. Renee Miller gave her report on door prizes, and the availability of soft drinks at meetings. Bill Jarvis and Carroll Lipscomb are looking for members interested in "learning to judge". They are willing to train these members. Terry Wagner reminded everyone to check for "AP" on their mailing labels to indicate their dues are paid. Tina Fritz asked that members send her articles and information for the Newsletter. When asked if there was any Old Business, Tina Fritz moved that a waiver be prepared to be signed by each member giving the Central Virginia Mustang Club permission to list members names, address and phone numbers on a club roster. The motion was seconded by Patrick Clayton and the motion was carried. Under New Business, the following changes to the Bylaws were unanimously accepted: (a) Officers will be paid, ACTIVE members only; (b) Article 6, Section 2, Subparagraph C, To let the Vice President serve as Co-Chairman; (c) Article 10, Section 1, meeting time will be 7:30 P.M.; (d) Article 11, Section IV, voting will be by ACTIVE members in good standing and their spouses; (e) Article XIII, Section 2, the Auditing Committee will be appointed in September. President Terry reported he needs a Chairman for Sponsors Committee. The Club discussed that more work needs to be done in working with the Ford Dealers for Club parts purchases. It was announced that the local NAPA headquarters needs several cars for their new store "Grand Opening" May 11th. Bill Broughton won the door prize. The speaker was Terry Wagner about the upcoming Rally. Meeting adjourned at 9:15 P.M. Patrick Clayton, Acting Secretary.

CENTRAL VIRGINIA MUSTANG CLUB MINUTES OF 6/5/85: The regular monthly meeting of the Central Virginia Mustang Club was called to order at 7:45 P.M. by President Terry Wagner at the Cloverleaf Mall Community Room. The minutes were read by Acting Secretary Billie Jarvis and approved as read. Treasurer Bob Leipertz reported a bank balance of \$625. Regarding New Business, Bill Broughton advised that Overhill Lake would be available for a Club picnic on any suitable date in June at a price of \$75 for 75 to 100 members. Swimming would not be included in this price. The majority voted in favor of June 30th from 2:00 until... Attending Southside Speedway was discussed as a possible Club activity. Kent Callahan distributed plates for trophies won at the Rally. The Entertainment Committee report was given by Connie Callahan. The Judging Committee report was given by Carroll Lipscomb. Two meetings were held, one of which was a seminar-type held at Universal Ford's Body Shop with Dave Lipscombe using one of Carroll Lipscombe's mustangs to demonstrate what to look for when judging. Patrick Hutts will be the new Sponsor Committee Chairman. The next meeting date will be changed from July 3 to July 10 because of the July 4th holiday. Regarding Old Business, President Terry informed us we are still looking for a lawyer to incorporate our Club. So far the only offer is \$300 which we feel is too much to

spend as this would be half of our treasury. Membership cards are still in the works. After a discussion on where the Club Car Show will be held, Donnie & Terri Herndon agreed to check into a possible location. Publicity for the show will be handled by Tina Fritz. There was discussion about the fund had by all who attended our May Rally. Discussion was brought up about length of our meetings. Some members feel they are too long. The drawing was won by Bruce McCloy. Kenny Fischer was our speaker for the evening, giving a very informative talk and answering questions about how to prepare and paint a car. Meeting adjourned at 9:20 P.M. Respectfully Submitted, Billie Jarvis, Acting Secretary.
