CENTRAL VIRGINIA MUSTANG CLUB

ISSUE 4

President's Message for the last Newsletter of 1985...

With this message, we wrap up our first year as the Central Virginia Mustang Club. I think that it is safe to say that we had a very good year with many accomplishments; i.e. the adoption of ByLaws, establishing a meeting format, our first rally and car show, some fun picnics, bi-monthly newsletters and Club jackets. Oh yes, and over 100 paid members. All round a productive year...BUT, did we do all that we could have to insure success???

Did you think about setting up a rally, cruise or a caravan to some interesting place. Did you suggest a topic or speaker for a membership meeting or

write an article for the newsletter? Did you feel like working on the membership committee or felt that your employer may like to advertise in our newsletter, but never took the time to follow up? There are many things that each of us can do to make this Club a greater success in the coming year.....The easiest contribution is to just show up.....participate.

OUR 1986 GOAL IS MORE MEMBER INVOLVEMENT

The coming year of 1986 will offer us an even greater challenge. We the officers of the Central Virginia Mustang Club feel that

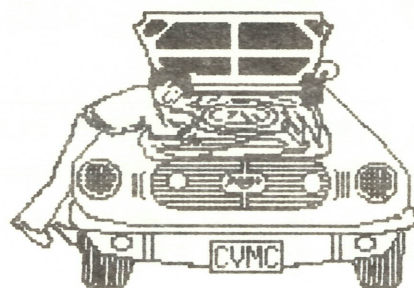

we have met this year's challenge, but success or failure for next year will not be measured by the actions of the officers but by the involvement of the membership. We can plan activities, make arrangements and do all the preparations, but unless you, the members show up, all is lost. So this year, make a New Year's resolution to get more involved in the Central Virginia Mustang Club. Remember, you only get out of the Club what you put into it...it's just like Love!

Terry Wagner,
President

Use Your Club Resources...

Many of the members of our Club have years of experience with Mustangs. Some of the areas include mechanical, electrical, restoration, and painting.

To help with the exchange of information, Kenny Fischer and Bill Jarvis have agreed to answer most any question about classic year Mustangs or direct you to the solution. Both have shown their own handy work in local and regional shows with numerous awards for their efforts. Kenny has an entire set of Mustang Shop Manuals and is most experienced with '64-'66's; while Bill's expertise is primarily with '67-70's. We are looking for that person who would be willing to respond to questions on the '71-73's and Mustang II's. So before you make that critical adjustment or select a replacement item and you're just not sure your making the best decision, check it out. Bounce it off Kenny or Bill. Their advice comes free, with lots of experience but no guarantees. To reach Kenny Fischer call 743-1490. Bill Jarvis can be reached at 262-2137.

CLUB JACKETS AVAILABLE

The CVMC has selected a Club Jacket. The Price is \$60. This is a very high quality, lined black nylon jacket with european auto race styling. Each jacket will have a three color (red, blue and silver) 12" Club logo on the back. For an additional \$2 your name can be stitched on the front in silver. Available in sizes S-M-L-XL. Yes, a jacket every member can be proud to wear. So there you have it, a fine quality, comfortable, good looking jacket with Club recognition and only \$60. We have 18 jackets sold and need a minimum order of 24; the fewest number we can purchase from the manufacturer. These in turn must be delivered to the embroiderer before they're ready to wear. So, if you are thinking about a jacket, now is the time to do something. After the first order, who knows how long it will take to collect another 24 jacket order. Avoid disappointment and long wait for the next order, contact Kent Callaham NOW at 270-7872.

CVMC SHOWS WITH CLASS

Congradulations are in order to several Club Members for their participation in some recent car shows. On the weekend of October 26th, Kenny Fischer traveled to Farmville, Virginia to display his 'Lil Black Pony' '65 Fastback in the Red Cross Benefit Car Show. We are pleased to announce he was awarded a trophy for "Best in Class". Kenny also displayed CVMC signs and represented our Club for the two-day show.

November 8-9-10 the

CVMC had a Club display at the Rod and Custom Car Show at the Richmond Fairgrounds. Over 120 cars in different classes were on display. The Club display had a "western" theme with a small campfire, wood chips around the cars, pedestals with rope between them and spot lights on the cars.

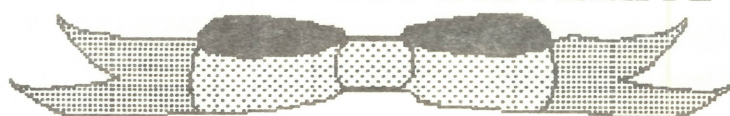

In the Club corral, Eric Selph displayed his Red '65 Fastback, Kenny Fischer showed his Blue '66 Coupe and Terry Wagner sported his White '70 BOSS 302. Through the contact of the show, another exhibitor, and new member of CVMC was Eddy Patton with his Black '68 Coupe with a beautiful airbrushed Pegasus behind the front wheel on the fender. In the 1960-69 Mildly Customized Street Sedan Class, Kenny Fischer won "Best in Class" and Eric Selph won third, and Eddy was fourth. Thanks to everyone who help with the display ... especially Nellie Fischer, Tracy Selph, and Charlie.

Saturday, November 16th...it rained all day and into the even- ing. The weather was somewhat chilly but not really cold. Will anyone else showup? Do I go to this Club function or keep that new wax job covered up in the garage? What the heck...

I got there about eight o'clock, and yes, there's one...a beautiful little red convertible and a coupe next to it and there's a, ah ah, well I don't know all the models and I don't even know anyone's name but, ah oh.. here come somebody over to the car...coffee? Sure I'd love to go inside for some coffee... How long have I been interested in Mustangs? Oh, just a few years now. Crazy thing happened, I got this card left on my windshield about the Club. I called somebody, and they sent me a newsletter and here I am.

More and more Mustangs kept trickling into Bill's Barbecue. In fact there were more Mustangs than any ol' Chevys. The heavy, heavy mist continued until about ten o'clock. Somebody said let's cruise ...AND CRUISE WE DID. On into the evening, up and down Broad Street. Everyone was friendly...More coffee?...Sure. How long do these things last anyway? Oh, It's your 1st time too huh!

AUGUST 7, 1985
SEPTEMBER 4, 1985
OCTOBER 8, 1985
NOVEMBER 6, 1985

The regular monthly meeting of the Central Virginia Mustang Club was called to order at 7:30 p.m. on Wednesday, August 7, 1985, by President Terry Wagner. In the interest of saving time, we dispensed with the reading of the minutes of the last meeting. The Treasurer, Bob Leipertz, gave his report informing the membership that we have signed three new members. There is \$392.12 in the bank and unless we do something to raise more money a couple more mailings of the newsletter will deplete this, almost completely. Committee Reports: It was reported we have a second picnic planned at Overhill Lake on August 11th. It starts at 11:00 A.M. and ends when the fun stops. We will have our own toys this time. A \$3.00 charge per car should help our treasury. Entertainment Committee Chairperson, Connie Callahan noted that we have refreshments along with drinks this evening. Free ballpoint pens and other goodies were donated by Thomas Victory, and the oil change door prize was donated by Kenny Fischer. Due to illness in her family, Nancy Bell, our Secretary, will be resigning her post. Terri Herndon has agreed to fill this vacancy for us.

Old Business: In reference to the Car Show, President Terry Wagner discussed the fact that applications for participation in the car show scheduled for September 7th were enclosed with the last newsletter in

order to get some idea of how many cars would be involved. Only a total of ten cars responded. This simply isn't enough for a successful show. Instead, we will have an exhibition at Richmond Ford, which has agreed to donate space and to advertise. It is hoped everyone will bring their cars to this informal show. There will be no judging. Tentative time of 9:00 A.M. to 4:00 P.M. has been set. There will be an ad in the newspaper. Bob Leipertz informed us that he had spoken with someone with the State Corporation Commission and a standardized form for incorporating which requires no attorney will be mailed to us. Our next monthly meeting is Sept. 4th, which is the last time we will have this room. Pat Clayton will check into this for us. Terry talked about the fact that we will have to do something to build up our treasury. This has been the reason for the rally and the picnics. Any ideas for raising money will be appreciated. Connie announced we made \$50.00 selling drinks and chances for the door prize tonight. The door prize was won by Scott Gresham. A very good film from White Post Restorations was shown by Kent Callahan, followed by discussion of a possible trip to tour the facilities in the fall. The meeting was adjourned at 8:32 P.M. Respectfully Submitted, Billie Jarvis, Acting Secretary.

MINUTES MINUTES AND MORE MINUTES

The regular monthly meeting of the Central Virginia Mustang Club was called to order at 7:30 P.M. on September 4, 1985, by President Terry Wagner. Treasurer's Report by Bob Leipertz informed us that there is \$488.88 in our account. Publicity Report, nothing new. General Club Information: Tina Fritz informed us that the ABC stores can special order a 1964 1/2 Jim Beam Mustang decanter that has just become available. The cost is approximately \$50.00 per bottle, consult the manager at your local ABC store for more details. Membership Committee report was given by Terry Wagner. He reported that the "Blue Greeting Cards" are now available to solicit new members and to see himself or Tina Fritz to get them. Several people were introduced as "first timers" at the meeting. Judging Committee: Bill Jarvis reported no judging is needed for the upcoming exhibition, so the judging committee has put all training sessions and ideas on hold for the moment. Awards & Trophies: Kent Callaham reported that there will be five trophies given at the Sept. 7 Car Exhibition. The first place trophy has been donated by the Mustang Club of America. Richmond Ford will be donating a Magnavox portable TV to raffle off during our show also. There have been a lot of donations from several area business establishments. Nobody was scheduled as Guest Speaker for tonight due to the importance of breaking up into our committees to work on the car show details. Old Business: Bob Leipertz has contacted the State Corporation Commission to get the Club incorporated and the officers need to see him to give their signatures on some documents.

New Business: To donate door prizes for the exhibition please see Kent Callaham. Announcements: On Labor Day several members took their cars to Mineral, VA to participate in the Labor Day parade. Much attention was stirred up by the cars and a good time was had by all. The Club has been invited to participate in two other local parades: Sept. 14, Spottsylvania Court House 50th Anniversary Parade - Line up at 10:00 A.M. - we need some different participants. Oct. 5, Ashland Volunteer Rescue Squad, 9:00 A.M. line up - parade starts at 11:00 A.M., festivities will continue throughout the day and a dance will start at 9:00 P.M. - 1:00 A.M. with music by "Breezy". New participation is urged to promote publicity of our Club. The next monthly meeting will be held on Oct 9 at Cloverleaf Mall. This will be the last meeting held here due to the merchants needing this room for the upcoming holidays. If you have Questions on the upcoming car exhibition contact the following: Bake Sale - Connie Callaham or Billie Jarvis, Special Activities - Bill Jarvis, Parking, Line Up - Kent Callaham, Registration - Terri Herndon. Richmond Ford has put up a sign to announce the car exhibition - please take time to go by and see it. There will be no flea market spaces. Tina Fritz suggested that maybe in November we can pull together a "Swap Meet". -BREAK TIME- The Drawing for the door prize which was a fire extinguisher was won by Bill Hall. Meeting was adjourned at 8:20 P.M. in order to break into committee work. Respectfully submitted, Terri Herndon, Secretary

The regular monthly meeting of the Central Virginia Mustang Club was called to order at 7:34 on October 8, 1985 by President Terry Wagner. The Treasurer's report was given by Bob Leipertz; as of 10-3-85 we had \$834.38 in the treasury. COMMITTEE REPORTS: Awards and Trophies: Kent Callaham gave out plates for the car show winner's trophies. Refreshments: In the absence of the Chairman, Tina Fritz handled the refreshments for us and deposited \$56 to the treasury for drinks, tee shirt sales and drawing. Judging: No News. Old Business: The matter of incorporating our Club is still in the works. New Business: There has been interest expressed in "Club Jackets". We need to find out how many members would like to purchase jackets. Price would be determined to some extent by the number sold. A one-time fee for the logo on the back would be \$350. The cost of the proposed jacket would be about \$42.00 plus the cost of the logo. Page Brough and David Savage will check on alternatives. Tina Fritz proposed a car show for February. After some discussion, it was decided to try to have a show in the Spring. Al Azarrone, Pat Clayton and David Savage will check into this. The idea of a possible Mall Show was also introduced and volunteers Sal LaPaglia, Leroy Lilly and Monte Evans will report on their findings. Announcements: November 6, 1985 meeting will be held at Dick Straus Ford at 7:30 P.M. Nationals East at 75/80 are October 12th & 13th. Amherst Show at Amherst Ford is October 19th. Farmville Show is October 25th & 26th. - BREAK TIME- We had the drawing for the license plate frames donated by Bill Jarvis. Kenny Fischer won them and gave them back...Leroy Lilly won

AND FINALLY THE END OF ALL THESE MINUTES

them on the second drawing and kept them. Al Azarrone showed slides of the car show and they were enjoyed very much by everyone. Carroll Lipscombe suggested we thank Tina for our nice newsletters. The meeting was adjourned at 8:42. Respectfully Submitted, Billie Jarvis, Acting Secretary.

The regular monthly meeting of the Central Virginia Mustang Club was called to order by President Terry Wagner at 7:35 P.M at Dick Strauss Ford on Belt Boulevard. There was no Treasurer's Report because Bob Leipertz was not yet present. Because of lack of attendance by committee chairmen we passed over all committee reports and moved right into old business.

OLD BUSINESS: Jackets-Terry showed us three different style jackets. The first one was a light-weight which he and Tina had brought in for our inspection. The price of it would be \$42 plus \$15 per jacket for the logo and \$350 stitch layout fee. The second was a heavier winter weight which was brought by Kenny Fischer. The cost would be about \$60, approximately and \$300 for the setup charge. Kent Callahan brought a medium weight jacket the cost of which would be approximately \$54 and \$125 for the setup tape charge. The logo would be 12 inches high and 3 colors. We would have a selection of the 3 colors. Tina moved to have the Club carry the cost of the setup instead of the individual members. Bob Leipertz, who had just arrived advised us there is approximately \$1116.00 in the Club treasury,

with some minor bills to be paid. It was generally felt the Club could afford to pay the setup fee. Bill Jarvis made a motion to decide on a style jacket and a color now; the motion was seconded and carried. After much discussion, the style selected was the medium weight jacket and the color will be black. The emblem will be red, blue and silver with the placement of colors being left to the discretion of the embroiderer. The horse and letters will be filled in and the state outlined. The name of each individual will be embroidered in silver on the front for \$2.00. A deposit of \$20 will be required on each jacket. Also under old business, it was decided since it was so late in the year, we would plan to go to Whitepost in the Spring. Continuing under old business, our committee on mall shows reported that Regency Square wouldn't be interested before next summer and Cloverleaf said "later". Chesterfield Mall said January or February and they could handle about 15 cars with security until midnight. We would be able to have cars inside on Friday, Saturday and Sunday. Final arrangements on this are still pending. It was reported that the Incorporation papers have not been returned the last time from the State. ID/Membership cards are in the works for 1986.

NEW BUSINESS: Terry told us he and Tina along with Kenny Fischer had visited R&J Mustang Restoration outside of Fredericksburg and they will be glad to send a speaker for one of our meetings. January is a possibility. This weekend CYMC would have a club display at the Rod and Custom Car Show at the Fairgrounds. November 16, the Club

will cruise Bill's Barbecue on the Boulevard near Broad and to please bring your cars out! It is time for nominations for Officers and Board of Directors. Those agreeing to run were: Terry Wagner for President, Billie Jarvis for Vice-President, Terri Herndon for Secretary, Bob Leipertz and Sal LaPaglia for Treasurer and Kent Callahan for National Director. Agreeing to run for the four Board of Directors positions are: Leroy Lilly, Kenny Fischer, Eric Selph, Monte Evans and Pat Clayton. Tina moved to close the nominations and seconded by Kent. The next meeting date will be December 4, 1985. Meeting to be held at TC's Gashouse on Midlothian Turnpike. The meeting starts at 7:30, a live band starts at 9:00. The Prime Rib is \$9.95, Seafood & Beef \$12.95 with many other lower priced selections. Please feel free to bring your Spouse or Friend. No More Announcements! Drawing of a Mustang book was won by Dave Harrison and a set of headlights by Todd Koolger. The meeting adjourned at 9:15. Respectfully Submitted, Billie Jarvis, Acting Secretary.
