PRESIDENT'S PERSPECTIVE JULY, 1988

Everyone that attended last month's meeting sure enjoyed Monte's trivia quiz and discussion. Thanks Monte.

Mustangs were well represented June 4th at "All Ford Day". We had just about every type Mustang there. The only one I can think of that was missing is the '71 Boss 351. Maybe next year, right Bill?

At last notice, we only had 3 tickets left for the fall NASCAR race at the fairgrounds. If you are interested, check with Monte or Barbara Evans.

The competition is starting to heat up on the membership drive. Let's get those applications in. Remember the deadline is August 3rd - our monthly meeting.

Mike Timms' cruise to Genro's was quite a success. We had 5 cars in the group (Mike & Carolyn Timms, Doug Trammell & Darrell Andrews, Butch Williamson & Donna Seay, Kenny & Nellie Fischer, Terry Wagner & Mike Walker. Several members showed up later that night; Page Brough, Monte & Judy Evans. Mike Walker said the cars with blowers looked so good that he wanted one for his red car. Mike Timms said he would like to have another cruise to Genro's in August. So everyone be thinking about it.

Last but not least, we need to be busy getting ready for the Classic Car Calvacade on August 13th. The official application appears in the back of this issue. Feel free to copy it for friends, but be sure to preregister yourself and spread the word.

As always, your President,
Terry Wagner

'88 MEMBERSHIP DRIVE

It is getting close to the end of our membership drive. We have picked up 6 new members. So let's beat the bushes for new members and make this drive a real success. The competition is tight. Right now we have a 4-way tie for first place (\$100).

Good luck to everyone!

Mike Timms

CVMC CAR SHOW BENEFITS HOMELESS

The most popular Club event of the year is only weeks away. To avoid the threat of unpredictable weather, the show is being held August 13th this year. A secondary benefit to the change of date will be the inclusion of our college members who will still be home for summer.

There are several changes in principle to the show. As a community contribution, the Club has decided to ask for a \$2 donation at the gate or the contribution of household, clothing or office items for admission to benefit RICHMOND'S FREEDOM HOUSE for the homeless and dislocated.

The most needed items are men's underwear, socks and shoes. In the kitchen they need pots and pans, small baggies, trash bags, plastic and stainless forks and spoons, foil, paper products and cleaning products. They also have need of bathroom and laundry items such as bleach, disposable razors, towels & washcloths, deodorant, toothpaste and toothbrushes, cologne, Q-tips, lotion and shampoo. The office needs postage stamps, white-out, legal pads, bus tickets, masking tape, glue sticks...and the list goes on and on. Just remember this is like running a huge home, anything that is used in a home is needed for the Freedom House.

The Freedom House serves between 150 and 200 needy people on a daily basis by providing meals, shower facilities, laundry, and clothing. If you are interested in further information or donating your personal time, call Tina Fritz.

Minutes Of June 1, 1988

The regular monthly meeting of the Central Virginia Mustang Club was called to order by President Terry Wagner, at 7:35 P.M., Wednesday June 1, 1988 at Richmond Ford, 4600 West Broad Street.

Barbara Evans presented the Treasurer's report stating the Club's account balance at \$1,527.32 as of June 1, 1988.

Nellie Fischer, Club Merchandise Chairman announced that the new Club caps had arrived and there were other novelties available.

Monte Evans discussed the new seating arrangements for the NASCAR races to be held at Richmond Fairgrounds this September. Twenty \$40 seats have been reserved in Rows 19-20, Seats 1-10 in the new Winston Section on the front stretch near the start/finish line. To secure your reservations for the September 11th race, payment must be received by Monte Evans no later than June 25th. The payment deadline to the Fairgrounds is July 1, 1988.

Donna Seay reported that the picnic at Rockwood park was enjoyed by many Club members and another picnic is planned at All Ford Day...bring your goodies. Ukrop's is offering the Golden Receipt Program again this year, please save your receipts so the Club can accumulate its 2% for charity. Donna concluded by asking for someone to volunteer to go by Regency and sign up our Club for the use of their Community Room.

Bill Thompson is resigning the Awards and Trophy's Chairmanship and is asking for someone to take the committee.

Carroll Lipscombe asked that everyone meet at 9 A.M. June 14th at the Family Dollar Store at Laburnum & Mechanicsville TnPk so they could leave by 9:30 for All Ford Day.

Everyone was reminded about the cruise at Bill's Barbeque this Saturday at 8:00 P.M.

Mike Timms reported the membership now numbered 77 and the drive was in full swing. He encouraged everyone to strive for the prizes being offered: 1st Prize \$100 and 2nd Prize \$50 dinner for 2.

Leroy Lilly conveyed that his shift work would prevent him from devoting as much time to the Sponsors Committee as he would like and asked that someone else chair the committee and he would assist.

Another cruise was planned to Jenro's for Saturday June 18th and anyone wishing to caravan down should meet at Bermuda Square at 4:00.

PART IV: FINDING THE MONEY ACQUIRING THAT SPECIAL CAR

Banks will sometimes lend money on the car itself. You must have an appraisal on the car. The Club has people who do appraise cars both for insurance and purchasing (Carroll Lipscombe comes to mind). Banks usually require 20% down.

If you are fortunate enough to own a home, a second mortgage can be used to get money. Some banks will loan money if you put up another car you own. This worked for me. Still other banks will loan money if you can come up with a co-signer who has collateral. Parents are a good source.

Cash is the best way. Interest raises the purchase price. I would suggest making a list of things you can sell. Ask a low selling price for each and start running ads, yard sales, swap meetings, flea markets, etc.

The last way and probably the worst way to get the the money is to take a partner. Family members seem to work. If you go halves with a friend you are asking for trouble. Usually after a purchase, problems occur with the car and friendships go sour. I did know 2 men who over a 15 year period purchased over 40 cars together. They remained friends until the older of the two passed away. I do feel that the friendship was strained.

The final issue of purchasing a car will deal with the actual purchase and some tips on exchanging the money for the car.

If you have any questions, please feel free to call me at 222-8481.

Happy Cruisin'....Rick

Kenny Fischer said all the plans were in motion for the Aug. 13th car show and volunteers were needed for Chairmans & workers. See Kenny if you can help.

Darryl Andrews reminded everyone of cold drinks and doorprizes. After the break, Barbara Evans won the fender cover, Walter Harley won the Ford Mustang hat and Judy Evans won the Winston Cup sunglasses.

The next meeting is scheduled for Wed. July 6th at Richmond Ford 7:30.

Monte Evans was the speaker and asked trivia questions about Mustangs.

Bill Thompson moved to adjourn. It was seconded and the meeting adjourned at 8:45.

Respectfully Submitted, Brenda Jones

IN SEARCH OF HELP: Each year the Central Virginia Mustang Club asks for help with the car show. If you have been involved with an organization that does anything at all, it takes people to volunteer and put forth some effort. Each year, we hear the same arguments. "My job keeps me much too busy." "I would love to help but I just can't find the time." "I just don't have the energy."

Many of us are as busy as the next person. Work full time, go to school parttime, contribute time to the community and at church. Many work on their cars on the weekends, go to car shows, shop for hours on end, but just can't find the time once a year to help make the Club's major activity a success.

For the last two years, we have had hundred's of dollars of door prizes to give away. These prizes are collected from the donations of local merchants and solicited from Mustang merchandisers from all over the country. Our Sponsor's Chairman for the last two year's, Leroy Lilly has declined to be the Chairman but will assist someone who will be the collection point of door prizes.

Please check your schedule and speak up to help out as one of our many chairpersons to combine your talents and efforts to help make this year's show a success.

UKROP'S GOLDEN GIFT PROGRAM

Ukrop's super market once again is sponsoring their Golden Gift program. Please save all your Ukrop's receipts dated June 20th to September 17th. Ukrop's will give our Club 2% of the total receipts. Bring your receipts to each meeting or mail to the Club post office box.
Thanks, Donna Seay

DOORPRIZES

Although we do not have a chairman for the Sponsors Committee at this time, every Club member is responsible for helping to collect doorprizes for the show. Each of us deal with someone who could be approached to contribute something to be raffled off at the show. In the past few years we have had some mighty nice items to raffle, from ball caps, haircut and oilchanges to the more expensive paint jobs, satin jackets and floor jacks. If someone doesn't know what to contribute, you might suggest a gift certificate written on their letterhead. Remember everyone who donates a doorprize or sponsors a trophy gets to advertize in our program. There are other supporters of the Club who support us by simply advertising with a business card or by offering specials and coupons in their ads. For more information about what to say and pricing, pick up an ad sheet at the next meeting, July 6th at Richmond Ford at 7:30.

Central Virginia Mustang Club, Inc.

Dear Mustang Enthusiasts: P. O. Box 35-474 • Richmond, VA 23235-0474

The CENTRAL VIRGINIA MUSTANG CLUB's 4th Annual Classic Car Cavalcade is shaping up for Saturday, August 13th. We wanted to extend a personal invitation for you to attend the show and advise you of a few improvements this year. As you can see the show is scheduled a month early to avoid problems with wet weather. In response to the many and varied comments, a great deal of time has been invested in revising our judging sheets.

We expect a larger than usual crowd since local radio stations have agreed to give away CVMC tee shirts during remote broadcasts the day of the show. Ten other car clubs have been invited to encourage membership by displaying up to six cars. This year we are asking the entrants with cars in the show to take a few minutes to judge the Special Interest Ford Class. Again, the selection of door prizes will exceed \$2,000. If you don't win the item you need for your Mustang, numerous vendors are invited to meet your automotive needs.

To benefit the Freedom House for Richmond's homeless an admission of \$2 or contribution of food, personal care products, office supplies, household items, mens clothing, etc. will be collected. Please look around and bring whatever you can to help out this worthy cause - every donation helps.

This should be a fun and exciting mustang show and we hope you will join us on Saturday, August 13th. Enclosed is all the information you will probably need. Feel free to copy the show flyer for distribution to friends or the public. Your help in getting the word out is appreciated.
