CVMC MISSION BBQ CRUISE IN

On June 11th CVMC had our 2nd Cruise In at Mission BBQ. Unlike the first one the weather was perfect. We also had some fine looking Mustangs come and hang out with us. We all had a great time! You know it was kind of odd that my 1995 SVT

Mustang Cobra was the 3rd oldest Mustang there. Bring those Classics and Late Models out to our next Mission BBQ Cruise In July 9th.

Oh yeah you can invite your friends from the Darkside!

MCA REPORT

I am working on the MCA 2015 President's award. To qualify for this award our club has to earn 100 points in calendar year 2015 by having a monthly newsletter, sponsoring car shows, cruise-ins, participating in local

parades, encouraging car enthusiasts to join our club, attending National and Grand National shows. There are extra points our club receives for members who take and pass the various on line judging tests to become a certified or Gold Card judge. Club members who have become certified or Gold Card judges are listed at the end of this article. So far we have passed the 100 points and there are several more categories I have to research and finish.

All MCA 3 tier membership options are now available on line so you can go to www.mustang.org to choose your membership tier and join MCA or renew your membership. Additional years are available with discounts. As a member the professionally written, official club publication "The Mustang Times" magazine is included with your membership. Another advantage to joining is the ability to participate in the Ford X-Plan which could save hundreds of dollars or more on all Ford products except the Shelby.

MCA's 40th Anniversary celebration is September 1 to 4 at the Indianapolis Motor Speedway complex. Because this celebration is expected to be huge, registration will close **18 July 2016** for all events and the webpage bottom says **NO EXCEPTIONS**. As for the MORE program of all the Central Virginia clubs I contacted only Roanoke responded with 2 going and no one from Hampton Roads, or Virginia Beach areas. 20 (Twenty) 40th anniversary registered MCA members are needed to participate in the program and there is not enough interest from Central Virginia clubs. Other 2016 MCA National shows along with the MCA 40th Anniversary are listed in our newsletter. Registration for all these shows is through Mottosho.

For those that are interested in driving a new Shelby GT350H, Hertz now has these available for rent at locations across the United States.

Our fall show is listed in the June issue of Mustang Times, on MCA's event website and the Virginia Car Club Council website.

In the June issue of "Mustang Times" is a great article on National Parts Depot. I have met both Jim Schmidt and his son Rick. While on vacation to Florida in 2011 I had the honor of a tour of their car collection at their facility in Ocala, Florida (see picture at the bottom of page 36). The floor was carpeted and not one of those cars had any dust or cobwebs and Jim told me they had not been dusted in weeks. If you are in Florida and on or near I-75 (exit 352) and want to see a fantastic car collection, this would be the place to go.

For some of our new members there is another online Mustang club on facebook. This club is devoted to just 6 cylinder Mustangs of all years. The nice thing about this club, there are no dues and the newsletter is online. The website is M6A.

Check our newsletter, club and facebook websites for upcoming parades, shows and cruise-ins in the Richmond metro area.

THE 6TH ANNUAL WYATT FLORY MEMORIAL CAR SHOW

**Saturday, August 6th 4:00 PM
Highland School, Warrenton, VA.**

Come bring the family out to the 5th annual Wyatt Flory Memorial Car Show at Highland School in Warrenton, Va. The event is in honor of Wyatt, who was killed in a tragic car accident in April 2010. In his memory, his friends and family are raising funds for Heifer International, a non-profit organization.

We chose Heifer International because that was a cause that was deeply close to Wyatt. Heifer International is a nonprofit working to eradicate poverty and hunger through sustainable, values-based holistic community development. Heifer distributes animals, along with agricultural and values-based training, to families in need around the world as a means of providing self-sufficiency.

We accept entry of all antique or show cars, trucks, motorcycles and tractors. Awards are given out at 7PM. 50/50 Raffle. Enjoy delicious local BBQ and Moo Thru Ice Cream on site for a fun family night out!

General Admission for the event will be \$5 for adults, \$3 for children and Highland Students. No entry fee for cars but donations are always welcome as 100% of the proceeds go directly to charity.

BEAVERDAM 4TH OF JULY PARADE

Once again we will participate in the Beaverdam Ruritan Club's 4th of July parade, in Western Hanover County. This will be the parade's 40th anniversary.

We will meet at the Montpelier Center, 17205 Mountain Rd (Rt 33, about 15 miles west of I-295 interchange) at 8:30 am on Monday, July 4. We will leave at 8:45 am to make the 10 mile trip to Beaverdam.

The cars will line up at 9 am, and the parade rolls off at 10 am. The route is through the village of Beaverdam, and then several miles thru the countryside to Beaverdam Ruritan Park.

This is a very patriotic, old fashioned rural community parade. After completing the parade route, Club members are encouraged to park their cars on the baseball diamond outfield at the Ruritan Park for a while so folks can look at our Mustangs while we enjoy the 4th of July festivities.

FIFTY YEARS AFTER HISTORIC VICTORY, FORD WINS AGAIN AT LE MANS!

LE MANS, France -- The No. 68 Ford GT of Sébastien Bourdais (FRA), Joey Hand (US) and Dirk Müller (GER) crossed the finish line at Le Mans at three o'clock on Sunday, as the overall GT winner of the 2016 Le Mans 24 Hours. The No. 69 Ford GT of Ryan Briscoe (AUS), Scott Dixon (NZ) and Richard Westbrook (GB) joined the winners on the podium after scoring third place. The Nos. 66 and 67 Ford GTs finished in fourth and ninth places, respectively.

"This is an historic moment for the Ford Motor Company," said Bill Ford, executive chairman, Ford Motor Company. "We dared to dream that we could return to Le Mans, 50 years after the incredible 1966 win, and take on the toughest competition in the world. The pride we all felt when the Ford GT crossed the line at Le Mans is indescribable. The team that designed, built and raced the Ford GT has worked tirelessly to bring us to this result and I am proud of each and every one of them. The Ford Chip Ganassi Racing team demonstrated the spirit of Ford, that of innovation, determination and true teamwork. We

cherish our history and heritage, but today we made history again and I couldn't be more proud."

First unveiled to the media at Le Mans last year, the Ford GT's Le Mans victory comes 395 days after the car turned a wheel for the first time on May 20, 2015, at Calabogie Motorsports Park in Canada. A Herculean effort from the Ford Chip Ganassi team has transformed the car into a Le Mans winner in just over one year.

"Building a new car and racing it at Le Mans is a monumental task," commented Mark Fields, president and chief executive officer, Ford Motor Company. "We took it on and we conquered the biggest challenge in sportscar racing: the Le Mans 24 Hours. It has been incredible to share this event with our dealers, owners, employees, sponsors and guests who are all bursting with pride at being part of the Ford family. Every manufacturer in the GTE Pro class fought with everything they had in the best competitive spirit, and we are thrilled to have played our part in this incredible race."

After a titanic battle with the No. 82 Ferrari, the No. 68 Ford GT took the lead for the final time in the 20th hour of the race. Hand was behind the wheel on the three occasions that the Ford passed the Ferrari, rekindling a 50-year-old rivalry between the two car manufacturers.

"It's a big deal to come back here 50 years after the Ford win in 1966," said Hand. "We said we wanted to win but to actually do it is huge. This team has come so far in a short space of time. They all worked hard, right through Christmas and New Year and gave us a race car that we can race hard. We drove like it was a sprint race for 24 hours. I've won a lot of races and this is a big one. I'm honoured to be part of this programme. I'm a red, white and blue guy so to be part of the Ford family, where they treat you like their own, is a great place to be."

This victory is particularly sweet for Bourdais who was born within sight of Tertre Rouge. The Frenchman had competed at Le Mans 10 times previously but this is his first win.

"It's an unbelievable feeling to be able to make this happen," said Bourdais. "There was so much effort, so much emotion, and to be the one that wins the trophy to give to the Ford family and everyone involved is very special. Everything aligned for us today -- the history, the Ferrari/Ford battle, 50 years on and the Ford family being here. To come out on top of all that is an amazing feeling."

The No. 66 Ford GT, raced by Billy Johnson (US), Stefan Mücke (GER) and Olivier Pla (FRA) was in contention for a top result during the race's infancy but a small electrical problem put paid to their attack. Such is the pace of the Le Mans 24 Hours, one extra moment in the pits is all it takes to be out of the running.

The No. 67 Ford GT of Marino Franchitti (GB), Andy Priaulx (GB) and Harry Tincknell (GB) suffered from a gearbox issue at the start of the race so they had to play catch up for the full 24 hours, coming home in ninth place.

With his 175th victory as a team owner, Chip Ganassi becomes the only owner in history to win the Indianapolis 500, Daytona 500, Brickyard 400, Rolex 24 At Daytona, 12 Hours of Sebring and Le Mans 24 Hours.

The No. 66 Ford GT earns maximum FIA World Endurance Championship points from this event, which fires up the competition for the remainder of the WEC season. The IMSA Ford Chip Ganassi Racing team is flying high all the way back to the US for the next round of the WeatherTech SportsCar Championship at Watkins Glen on July 3.
